Dear Mr. Robinson:

The analytical results received to date from the contractor laboratory program (CLP) for the subject Work Assignment are at Enclosure 1. Fourteen soil and 38 water samples were split with Fred C. Hart Associates. Ebasco Services Incorporated (Ebasco) has received the analytical results of 21 of the water samples and 11 of the soil/sediment samples. A summary of these results are at Enclosure 2. Two soil and 8 water samples were sent by Ebasco to the CLP for asbestos analyses. Asbestos analytical results have not yet been received.

If I can be of further assistance please contact me at (201) 460-6509.

Very truly yours,

William Colvin
